eTwinning is the community for schools in Europe.

eTwinning offers a platform for staff (teachers, head teachers, librarians, etc.), working in a school in one of the European countries involved, to communicate, collaborate, develop projects, share and, in short, feel and be part of the most exciting learning community in Europe.

Pre-Registration

Welcome to the eTwinning pre-registration. Please complete the following information about yourself and your school. You will be sent a confirmation email to validate your email address in the system. Once you have confirmed your pre-registration, you will be able to complete the second part of the registration process.

eTwinning The Process

- **Pre-registration:** Here you are asked to create a username and password and provide your email address. This is obviously on eTwinning.net
- **Full registration:** Once you've completed the pre-registration, you receive an email from the eTwinning team that contains a link. By clicking on this link, you are redirected to the full registration form where you can complete your registration. If you do not receive this email, please contact your National Support Service who can then provide you with this link.
