

Add a device to your Microsoft Account

- Sign in to your Microsoft account on an Xbox or PC.
- Download an app or game from the Microsoft Store
- Go to account.microsoft.com/devices, select Don't see your device?, then follow the instructions.
- On an iOS device: Download Microsoft Edge from the Apple App Store and sign in with your Microsoft account.
- On an Android device: Download Microsoft Edge, Microsoft Launcher, or Your Phone Companion from the Google Play Store and sign in with your Microsoft account.
- MacOS devices: log in to an O365 account also on a Mac, via safari or chrome , then download apps or use online version. Note about safari : teams meetings settings not accessible so use chrome if teaching live as it's crucial to be able to mute all and have lobby.
