To the Parents/Guardians of Leaving Certificate Students 2021,  
Thank you for your support over the phased return to school period. We are immensely proud of our students and will continue to support them going forward. They are looking forward to a break from timetabled schoolwork, but some are now preparing for their LC oral and practical music exams and you will find details of the schedule for Easter below.

We wish all our students the absolute best of luck in these exams and look forward to all students returning on the 12th of April.

Subject Assessments will continue until the 14th of May.

A student will be facilitated to take the exam on a Friday afternoon scheduled by the school management if they are absent for the scheduled subject assessment and they present a medical certificate to the school or evidence that the absence is Covid related.

If a student fails to present for the Friday exam, they will not be afforded another opportunity to take the exam.

The subject exam will not be the same as the one the student was absent for; this is to ensure no student has an unfair advantage over another student.

Friday 14<sup>th</sup> May is the last day for subject assessments.

### Schedule for Orals and Practical's
