2022 Junior Cycle Results 2022

Dear Parent/Guardian,

I am pleased to inform you that the State Examinations Commission will issue Junior Cycle Results (provisional) on Wednesday 23rd November 2022. I am confident that the effort put in by our students will be rewarded on results day.

Our students can access their results in two ways:

Option 1: Receive a hard copy of the "provisional" results at the school.

or

Option 2: Access "provisional" results online: www.examinations.ie

Option 1

Students may collect a copy of their results from the school from 9.15am to 10.30am.

Parents/guardians are responsible for bringing their son/daughter to and from school to collect results, and for the entirety of the school day.

Option 2

Students may access results online from 4p.m. on Wednesday 23rd 2022.

Each student will receive a State Examinations Commission notice with information on how to access results online from the Examination Secretary on Monday next in advance of results day on Wednesday.

Note:

Option 2 is available to all students.

Timetabled classes for Transition year and Fifth year will continue as normal for students who are not receiving exam results.

Students receiving results are not expected to attend classes on the day.

I wish each of our students the best of luck in advance of their Junior Cycle Results.

I look forward to meeting you on Wednesday morning should you and your son/daughter choose to collect your results from the school.

Yours sincerely,

Kevin Langton
