

Dear Parents/Guardians of Students with Autism Spectrum Disorder (ASD),

I hope this letter finds you well. We understand that navigating the journey of raising a child with ASD can be both challenging and rewarding. The Home/School Liaisons in the locality are trying to organise a meet up for the Autism support group in Carrick. It has been very successful in Clonmel, so a Carrick branch of it could be amazing. We have so many families with Autism in their household.

The idea is for parents to support each other with practical things like forms etc but also ideas of things which worked for their own kids etc. In an effort to provide support, guidance, and an opportunity to connect with others who share similar experiences, we are excited to invite you to a special event:

Coffee Morning for Parents/Guardians of Students with ASD

Date: Monday, October 9th

Time: 10:00 AM - 11:00 AM

Location: Nano Nagle Resource Centre, Carrick on Suir

This informal gathering aims to create a warm and welcoming environment where parents and guardians can come together to share their stories, challenges, and successes while enjoying a cup of coffee or tea.

We believe that coming together as a community can be incredibly empowering, and this event is designed to foster a sense of unity among parents and guardians. Whether you are a veteran in navigating the world of ASD or just starting this journey, your presence will be valuable.

We sincerely hope you can join us for this event. Your presence will contribute to a supportive and compassionate community of parents and guardians who are committed to providing the best possible care and opportunities for our children with ASD.

We look forward to seeing you on October 9th.

Warm regards,

Diane Hyde
