Dear Parent/Guardian,

The Guidance department have organised several events for 6<sup>th</sup> year students over the coming months. We would like to bring your attention to these events along with the cost involved.

**September 18<sup>th</sup>- Higher Options & World Skills, RDS Dublin** Attending students paid for this event in May and a letter has been sent to parents with more information.

**October 16<sup>th</sup>- Limerick Open Day** A payment link for **16 euro** will be sent out this week to cover bus costs for this event. We visit UL, Mary I along with the option of going to see LSAD and TUS.

**November 7<sup>th</sup>- Waterford Open Day** We visit both WCFE and SETU for this event. We will send a payment link for **11 euro** out before the midterm in October to cover the costs of this event.

**Study Skills Workshops**-November 12<sup>th</sup> with Inspire Education and March 4<sup>th</sup> with Study Generation. A letter will be sent with further information on this event at the start of October. The cost to attend both workshops and receive the study skills resources is **20 euro**.

These opportunities are beneficial for students to explore options for their future and prepare them for mock and final exams but they are optional. Students that do not participate in these events will attend school as normal. Where possible we recommend that students attend open days on a Saturday to avoid missing school during 6<sup>th</sup> year. Please see the attached link which lists the various open days that are on this year. [https://careersportal.ie/colleges/cd\\_events.php](https://careersportal.ie/colleges/cd_events.php)

We thank you for your cooperation and please contact the school with any further questions that you may have.

Your sincerely,

**Maria Jensen**

Guidance Counsellor

**Gemma O'Neill**

Guidance Counsellor
