Dear Parent/Guardian,

On Thursday 18th September your son/daughter will be going to the RDS in Dublin for the Higher Options and World Skills Ireland 2025 event.

The Higher Options event will be a great chance for your son/daughter to learn about the different opportunities available to them after the Leaving Certificate and the Leaving Certificate Applied. There will be many universities, colleges of further education and different career talks on throughout the morning.

World Skills Ireland 2025 showcases the talent and skills of apprentices around the country. Students attending will learn more about apprenticeships on offer and skills required for a variety of roles.

See the below links for further information.

[World Skills Ireland](#)

[Higher Options Attendee Information](#)

We will be going to Dundrum after the RDS and our estimated departure from Dundrum will be 3pm.

Please take note of some following points in relation to the day:

- **Departure: 6.30am sharp** We need to be in the RDS for 9am so we ask that all students arrive to school for 6.20. We will be boarding the bus immediately and will not be able to wait for any late students. Traffic is always heavy going to the RDS and we don't want students to miss out on any talks at the Higher Options.
- **Full school uniform** to be worn. Not PE uniform.
- **Mobile phones must be handed up while on the bus** Teachers will return phones while students are at the RDS and Dundrum.
- **School rules apply**
- **Return: 5.30pm approx.** We will message parents while we are on the bus back to let you know a more specific time.

We thank you for your cooperation and please contact the school with any further questions that you may have.

Your sincerely,

Maria Jensen
