5th March 2026

Dear Parent/Guardian,

I hope this letter finds you well. We are writing to inform you about an important component of your son's / daughter's Leaving Certificate Geography coursework. As part of the geography syllabus, the project accounts for 20% of the final grade.

To support students in completing this significant work, Comeragh College has scheduled one dedicated day for your son / daughter for its completion prior to the project's submission via the SEC portal. This session will provide students with the necessary resources and teacher guidance to finalise their projects. Students must ensure they are in attendance on this set date (25th March) and have completed all required planning and preparatory work assigned by their teacher in advance.

Thank you for your cooperation and support in ensuring the successful completion of this crucial element of the course.

If you have any concerns or would like to discuss this further, please do not hesitate to contact Ms. Lambert slambert@tipperaryetb.ie

Yours sincerely,

Samantha Lambert
(Geography teacher)
